

23 Horas Muerta
Angelina Zambrano

I was dead in 23 Hours

*Originally in Spanish,
Transcribed into English from Video*

Maxima (the mother):

My name is Maxima Zambrano and we attend the 'Casa de Oracion' Church in El Empalme. We were fasting for fifteen days, and crying out to God. My daughter Angelica, also joined us. During those fifteen days of fasting, I was able to see beyond the natural, which I've never done before. We were praying and fasting at the retreat, and even continued praying and crying out at home, waiting for God to speak to us.

The Lord gave us much encouragement. Because of our trials, we were often ready to give up, but the Lord was there to help us. He gave us Jeremiah 33:3 'Call unto me, and I will answer you, and show you great and mighty things, which you know not.' My daughter had been emphatically requesting that from Lord, though I didn't know it at the time.

(El Empalme, September 29, 2009, 7pm)

Angelica (The daughter):

My name is Angelica Elizabeth Zambrano Mora. I am 18, and study at the 'Colegio José María Velazco Ibarra', here at El Cantón, El Empalme, Ecuador. I first accepted Christ when I was 12, but I told myself, *'None of my friends are evangelicals and I feel strange amongst them'*, so I walked away from God, and lived a bad, terrible life. But God pulled me out of there. On, my 15th Birthday, I was reconciled to the Lord, but I was still double-minded. The Bible says (James 1:8), *'A double-minded man is unstable in all his ways'* and I was one of those persons. My dad would say, *'You don't have to be like that, it looks awful, it's wrong,'* but I would reply, *'This is the way I am, and how I want to be, nobody has to tell me how I should be, nor what I should do, nor how I should dress, or behave.'* He would respond, *'God is going to deal with you. He is going to change you.'*

Durring my 17 birthday, I came closer to the Lord. On the April 28th I came to Him and said, *'Lord, I feel so bad, I know that I'm a sinner,'* and I told Him how I felt. *'Lord, forgive me. I want You to write my name in the Book of Life and to accept me as Your child.'* I repented and gave back my life to the Lord. I said, *'Lord, I want You to change me, to make a difference in me.'* I cried with all my heart, asking the Lord to change me. But, as time passed by I felt no change. The only difference was that I began to attend church, to read the Bible and to pray. That was the only change in my life.

Then, in August, I was invited to fast for 15 days. I decided to join, but before entering I said, *'Lord, I want you to deal with me here.'* During the fast the Lord was speaking to almost everybody, except me! It was as if the Lord had not seen me, and that hurt. I would pray, *'Lord, aren't You going to deal with me?'* I would cry alone and continue, *'Lord, do You love me? Are You here? Are You with me? Why don't You speak to me like You do to everyone else. You speak so many things to other people, even words of prophecy, but not me.'* I asked for a sign that He was with me, and the Lord gave me Jeremiah 33:3, *'Call to me and I will answer you and tell you great and unsearchable things you do not know.'*

I said, 'Lord, did You just talk to me?' Because I heard His audible voice and had a vision of the words written in Jeremiah 33:3.

I said, 'Lord, is that for me?' I kept it to myself, while everyone else was testifying what the Lord had given them and what they had seen. But I kept secret and would only meditate on the words: 'Call unto Me' means to pray, but what did 'great and mighty things' mean? I thought, 'This can only mean heaven and hell.' So I said, 'Lord, I only want You to show me heaven, but not hell, because I've heard that it is a horrible place.' But I then prayed with all my heart, 'Lord if it is Your will to show me what You must, then do so, but change me first. I want You to mark a difference in me; I want to be different.'

When we finished fasting, there were trials and difficulties and sometimes I felt faint, unable to continue walking with the Lord. But He gave me strength. I started to hear His voice and know Him better. We became good friends. The Lord is our best friend, the Holy Spirit. I told Him, 'Lord, You are my best friend. I want to know You better,' and shared all my thoughts with Him.

I prayed during all of August and then in November, a servant of the Lord came to our house and said, 'May the Lord bless you.' I replied, 'Amen.' He then said, 'I am here to bring you a message from God...you must prepare yourself, because the Lord will show you great and mighty things which you do not know. He is going to show you Heaven and Hell because you have been asking, from Jeremiah 33:3.' I asked, 'Yes, how did you know? I haven't told that to anyone.' He responded, 'The same God that you serve and praise, that very same God I also praise told me everything.'

Soon we began to pray. Some sister from our church, and others from my family were there with us praying. But as soon as we started praying, I began to see Heavens opened. So said, 'I see the Heavens are opening, and 2 angels are coming down!' The man said, 'Ask them why they are here.'

They were tall and beautiful; with beautiful wings. They were large and shining, and seemed transparent, brilliant as gold. They wore crystal sandals and had on holy garments. 'Why are you here?' They smiled and said, 'We are here because we have a task to carry out...We are here because you must visit Heaven and Hell and we will not leave until all of this comes to pass.' I responded, 'Very well, but I only want to visit heaven, not hell.' They smiled, and stayed there, but did not say anything more. After we finished prayer, I could still see them there.

I also started to see the Holy Spirit; He is my best friend; He is Holy, He is omniscient; He is omnipresent! I could see Him, transparent and brilliant at the

same time; with a brilliant countenance, I could see His smile and His loving gaze! I can hardly describe Him, because He is more beautiful than angels. The angels have their own beauty, but the Holy Spirit is far more beautiful than they are! I could hear His audible voice, a voice full of love, a passionate voice. I just can't explain His voice; a voice like lightening, yet at the same time He would say, *'I am with you.'* so I would strive to continue walking with God, even as trials surrounded us. We were going through very difficult moments, but victorious ones at the same time. So there I was, *'Lord, let your will be done.'* I continued to notice the angels even at school, and in my classes. I was so happy, so full of joy because I could actually see them!

The servant of the Lord, who visited my house, told me to prepare myself, because I was going to see Heaven and Hell. But also told me something difficult. He said, *'You are going to die.'* It wasn't easy when I heard this.

'How am I going to die? I'm so young', I asked. He replied, *'Don't worry about anything, everything God does is perfect, and He will bring you back to life, so that you testify about Heaven and Hell, which is what the Lord wants all of us to know about.'* I said, *'Amen, but will I be run over by a car, how will I die?'* Ideas came rushing into my mind, but the Lord told me not to worry, everything was under control. I said, *'Thank you, Lord!'*

“On November 6th, after I returned home from school, the Angels were still with me, even while praising the Lord. They would not speak to me; all they would say was, *'Holy, Holy, Holy, Hallelujah,'* giving glory, honor and praise to our Heavenly Father. The Holy Spirit was there along with the angels and I would rejoice. Many people say that the gospel is boring, but that is a big lie from the devil to keep people from searching for God's presence. I also used to believe this, but after I met the Lord and the Holy Spirit, I know the gospel is not boring, it is the most beautiful experience you can have on Earth!

I could see them; play with them, and even talk to the Holy Spirit. But the angels would not talk to me, but they would praise the Lord. I would say, *'Holy Spirit come along with me to do this or that'* and He would be there. I could feel and see Him.

I saw Him when He would rise and get up on his feet, and would even prepare a seat for Him. Although many can't see Him, He is here! That relationship has continued, there's no reason to stop it, once you've experienced it...there's no way that I would withdraw. When I consider where He pulled me out from, what I was before, I am so thankful for His mercy, for all His love toward humanity and toward me!

On November 7th, when I was returning home, I heard a voice that said, *'Be prepared, for you will die today,'* I knew it was the Holy Spirit because I could see Him. I ignored His voice and said, *'Lord, I don't want to die today!'* But He repeated, *'Be prepared, for you will die today!'* This time He said it louder and with greater force. I replied, *'Lord, I know it's You talking to me; I only ask for a confirmation and after that, do with me as You will. I'll do whatever You ask, I'll surrender, even if I'm afraid, because I know You are with me and You are real.'* I prayed, *'Let that person you used before, bring me the message. Let him be at my home this instant, before I arrive, and let him tell me that today I will die.'* Now, somehow the Lord knows our past, present and future. He knew what I would request of Him. So when I arrived home, the servant of the Lord was already there.

Maxima:

When my daughter got home, we were in the kitchen. When Angelica she saw the servant of the Lord she said, *'May the Lord bless you.'* The man of God responded, *'God bless you. Are you ready? For today is the day that the Lord will take you, at 4 PM.'* She just stood there, astonished that the Lord had granted her request.

Angelica:

When I heard this I said, *'Amen...but I don't want to die, I can't die! No, Lord, I'm afraid, very much afraid, terrified!'* The servant of the Lord said, *"Let's pray that your fear will leave now in the name of our Lord.'* I said, *'Amen'* and we prayed. Soon I felt all fear leave me, and an indescribable joy came, thinking that death was the best thing that could happen to me! I started to smile and laugh while everyone was looking at me. They could all see that I went from being dismal to joyful. I was smiling, jumping and singing.

Maxima:

My daughter instantly felt joy in her heart and started eating. She had a little bit of everything, saying, *'If I don't return, well I've eaten and I'm full.'*

Angelica:

Everyone started laughing and asked, *'Why are you behaving like this instead of being sad, you're happy, you're joyful?'* I told them, *'Of course: I'm going to see the Lord, I'm going to be with Him, but I don't know if I'll be coming back so I want to give away all my things.'* They all stared at me and asked, *'You're going to give away all your belongings?'* My Mom's eyes were wide open in surprise!

Maxima:

My daughter started giving her things away. She gave everything away, everything! Our church sisters were with us, as usual, and she gave something to everyone of them. When I questioned her intentions and she said, *'If I return, they can give everything back to me, but if I don't come back, then they can keep everything.'*

Angelica:

I can imagine how sad my Mom must have felt when I said that. But I felt so happy started giving everything away: my clothes, my bed, my cell phone, everything, with one condition: If I come back, everything must be returned to me. They all started laughing.

Maxima:

She was very determined, but as a mother I felt so much sorrow. It wasn't easy. I wondered, *'Lord when the moment comes, how will it be?'* I couldn't understand. As they started praying, I was arranging things in the house. They said, *'Sister, come let's pray.'* But I replied, *'You go on, I will join you shortly. Just let me finish this task.'*

Angelica:

They were all observing me as we prayed. I prayed, *'Lord, I want to do your will. You're not a man that you would lie or repent, I know You are real. If I am going to fail you, then it's best if You just take me with you; but If I am going to do Your will, then bring me back, but help me say the truth, prepare me, help me to preach and to tell people to repent.'* That was my shortest prayer. I told this to the servant of the Lord and said, *'Don't tell my Mom what I said to the Lord.'* He replied, *'I won't tell her now, but once the Lord has taken you, I'll tell her.'* We continued praying and came together in a prayer circle.

Maxima:

At 3:30 PM, the Lord told his servant and to anoint my daughter. So some of us went into the room and anointed her along. He gave us two minutes to anoint her all over, from her hair down, everything, all her body. She was fully anointed.

Death

Angelica:

My Mom and another church sister, Fátima Navarrete, anointed me with oil. But as they were anointing me, I felt something covering me, like a glass that was surrounding me. It's hard to explain, I felt covered with something like an

armor, and I couldn't explain how I was covered. After that, when they tried to touch me, they no longer could.

Maxima:

As we were praying over Angelica, I was trying to lay my hands on her, but I couldn't touch her! She had some type of covering around her. It was strange, nobody could touch her! This covering started at the top of her head to her feet, about 30cm (12 inches). That was what shocked me the most. I've laid my hands on people before, in service to the Lord, but something like this had never happened before! I said, '*Oh, something must be happening,*' and I started to praying and to give thanks to the Lord. Suddenly, I felt great joy. The sorrow in my heart was gone, the pain was gone, and I now felt joyful and happy! We continued praying and about at 4:00 PM, my daughter fell to the floor.

Angelica:

During prayer, I felt shortness of breath; I couldn't breathe. I felt a pain in my abdomen and in my heart. I felt my blood going dormant, and tremendous pain all over my body. All I could say was, '*Lord, give me strength, give me strength!*' because I felt I couldn't go on. I had no strength, it was leaving me! When I looked up to heaven, in the spiritual realm, not with my physical eyes, I saw heaven opening up. I saw angels, not two nor ten, but millions of them gathering together. In the midst of the millions of angels, I saw a Light, 10,000 times brighter than the sun. And I said, '*Lord that is You who is coming!*'

Maxima:

When she fell down, we tried to stand her up, but she was unable to stand on her own. At this time, we were able to touch her. She was saying, '*Pray. I don't have strength, Mommy, I don't have strength and I feel pain.*' First, she felt pain in her heart, and then it went down near her *abdomen*. We kept on praying and pleading with the Lord. The Lord took her life!

Never before in my life had I seen anybody die. I had to see my daughter, as she was agonizing! It was not easy at all! I couldn't understand her last few words, and at the end she stopped. I placed my hand on her face, and a mirror to her mouth, to see if she was breathing. She had no breath, she just stood still. I held her, she was still warm, as normal. I took a sheet and covered her up, and in a

short while she started to get cold, very cold. Her hair was set back, like the hair of a dead person, and she turned icy cold.

Angelica:

Jesus was coming down, and I felt my body dying. As Jesus and the Angels got closer, I felt I was leaving, that I was no longer me. I was no longer alive, I was dying, and it was agonizing! When my body fell to the floor, they were already here. My house was full of angels, and in the midst of the angels I saw a Light, stronger than the sun! It was very difficult; I felt tremendous pain, as my soul and spirit were being torn away.

I was crying and screaming, as I saw my body on the floor. I asked, '*Lord, what is happening? What is happening?*' I wanted to touch my body and get inside it again, but when I tried, it was like to grabbing air: I couldn't touch it. My hand went straight through it. None of those who were praying there could hear me! And I shouted, 'Lord, help me!'

Maxima:

My husband arrived while we were praying, and he saw her there. The Lord gave me strength and at that moment because I didn't know what to do. It was like she was in a coma, but I knew she was OK, because it was the Lord's work. So I said '*Lord, let Your will be done.*'

The Lord Jesus Christ

Angelica:

At that moment I hear the Lord's voice, a beautiful voice with thunder and love, '*Fear not, Daughter, for I am Jehovah, Your God, and I have come here to show you what I have promised you. Arise, for I am Jehovah, who holds you by your right hand and tells you, 'Fear not, I will help you.'*' Suddenly, I arose. I had been kneeling down, looking at my body, wanting to get back in but not being able to. When I heard His voice, fear had left me, and I was no longer scared.

As I started walking, the angels began to open a path. There was a strong light shining, and as I gazed at it, I felt peace. As I looked, I saw a beautiful, tall, elegant, muscular man. Light was projecting from Him. There was too much light for me to see His face! But I could see His beautiful hair of brilliant gold and a white garment with a wide golden girdle that crossed His chest. It read, '*KING OF KINGS AND LORD OF LORDS.*'

I looked at His feet, He was wearing shiny golden sandals, of brilliant gold. He was so beautiful! He extended His hand to me. When I took His hand, it wasn't like when I touched my body, my hand did not go through it. I asked, *'What is happening?'* And He said, *'I am going to show you hell, so that you return and tell humanity that hell is real; that hell exists. And also, My glory will I show you, for you to tell my people to be prepared, for My glory is real and I am real.'* He said, *'Daughter, do not fear'*- He said it again and I said, *'Lord, it's just that I want to go to heaven, but not hell, because I've heard that it's horrible!'* He said, *'Daughter, I will be with you. I will not leave you in that place and I am going to show you that place because there are many who know that hell exists, but they have no fear. They believe it's a game, that hell is a joke, and many don't know about it. That is why I am going to show you this place, because there are more that perish than those that are entering My glory.'* When He said that I could see tears streaming down to His garments. I asked Him, *'Lord, why are you crying?'* He replied, *'Daughter, because there are more that perish, and I will show you this, so that you will go and tell the truth and so that you will not return to that place.'*

Hell

Suddenly, as He was speaking, everything started to move. The Earth shook and split open, and I saw a very dark hole below.

We were standing on a sort of rock with angels surrounding us. I said, *'Lord, I don't want to go to that place!'* He said, *'Daughter, do not fear for I am with you.'* In a split second we descended into the dark hole. I tried to see but there was a terrible darkness. I did see big, a huge circle, and hear millions of voices.

I was so hot, I felt my skin burning. I asked, *'Lord, what is this? I don't want to go to this place!'* The Lord said that this was the tunnel to hell. There was a horrible, repulsive and nauseating smell, and I begged Jesus not to take me. He responded, *'Daughter, it is necessary for you to come and know this place.'* I cried, *'But why, Lord, why?'* And He said, *'So that you can tell the truth to humanity; humanity perishes, it's lost and few are entering My Kingdom.'* In saying this, He would weep. His words strengthened and encouraged me, so I continued walking.

We arrived at the end of a tunnel, when I looked down I saw an abyss covered in flames. The Lord said *'Daughter, I give this to you.'* It was a large binder with blank sheets of paper. *'Daughter, take this pencil so that you can write all that I will show you, what you will see and hear. You will write everything as you*

are observing it, as you will live it.' I said, 'Lord, I will do it, but I am already seeing so much, Lord. I am seeing souls being tormented, and immense flames.'

Maxima:

Time was going by and I was wondering, 'Lord, what is happening? Tears were coming out of her eyes and that really had an impact on me. When I saw her tears, I wiped them away with a napkin but they would start to run down her cheeks again. I asked the servant of the Lord, 'What is going on?' If I placed a mirror to see if she was breathing, nothing happened. We checked her pulse, expecting a sigh; placed a hand on her stomach- nothing. So I would ask, 'What is happening?' He would explain, 'Look, what is happening is that the place where she is, is not a place of smiles, it is a place of torment. That is where she is right now.'

Angelica:

I will testify that hell is real, that hell exists, but take me out of here now!' And he replied, 'Daughter, we haven't even entered that place and I have shown you nothing yet, and already you want me to take you out of this place?' 'Lord, please take me out of here!' And we started to descend. Instead of the Lord taking me out, we were going straight down into the abyss!

And I started to cry and scream, 'Lord, no, no, no, no- I don't want to go!' and He would reply, 'You need to see this.' And I started to see horrible demons, extremely horrible and I began to observe them. There were giant demons, small ones, of all types. I watched as they ran and ran in an inexplicable way; their speed was so fast! I watched as they were carrying something in their hands and I asked, 'Lord, why are they running like that and what is it that they carry between their hands?'

He answered, "Daughter, they run that way because they know their time is running out, because time is too short to destroy humanity and especially my people. That which they carry in their hands are darts to destroy humanity, because each demon is given a name and according to the name that is given to them, they have a dart to destroy that person and bring her to this place; their goal is to destroy that person and bring her to hell.'

And I would see the demons running and exiting toward Earth and He told me. 'They are going to Earth to bring and throw humanity into this place.' And when this happened the Lord would weep, He would weep very much- He was weeping all the time and I would cry too. What was going on in that place was not easy. One thing is to narrate it and listen to it and another is to go through it, to live it- It was so difficult, so inexplicable at the moment.

Maxima:

She was in that state for 23 hours. I did not notify the authorities. I did not look for a physician for one reason: 'Lord, I will wait for 24 hours. If my daughter is not back in 24 hours, I will call a doctor.' But there was no need for that: before 24 hours were up, He brought her back.

Angelica:

Later the Lord said to me, 'Are you ready to see what I am going to show you?' And I said, 'Yes, Lord,' and He took me to a cell where I could see a young man. This young man was being tormented among the flames. Abruptly, I looked up and noticed that the cell was enumerated, but I couldn't understand the numbers- they seemed to be backward. I also saw a huge plaque in that cell and as I observed the young man he had a '666' on his forehead, and on his chest he had a big plate that was encrusted into his skin. The worms on him were unable to do anything to this plate; neither did the flames burn it. And this young man would scream, 'Lord, have mercy on me. Take me out of this place. Forgive me, Lord!' He would cry and plead to the Lord to take him out of that place. At that moment the Lord said, 'it's late, too late: I gave you opportunities and you would not repent.'

I asked Him, 'Lord why is he here?' Something that hurt me was that as I observed him, I realized that I knew him. On Earth, this young man knew the Word of God and abruptly, he walked away from the Lord preferring alcohol, drugs and walking on the wrong path. He did not prefer the way of the Lord and the Lord warned him many times on what could happen to him.

Then the Lord told me, 'Daughter, he is in this place because anyone who rejects my Word already has a judge: The Word that I have spoken will judge him in that last day,' and then, He wept. But the Lord doesn't weep the way that we do on Earth; He would weep with this pain in his heart and He would sob profoundly: 'I did not create hell for humanity!' 'Then why is humanity here, Lord?' He answered, 'Daughter, I created hell for Satan and his angels, who are the demons; but, because of sin and the lack of repentance, humanity ends here and there are more that perish than those that reach my glory!'

He continued weeping and it would hurt me so much to see how He cried. 'Daughter, I gave my life for humanity so that it would not perish, so that it would not end up in this place. I gave my life out of love and mercy so that humanity would proceed to repentance and could enter the Kingdom of Heaven.' And it hurt me so much because He would moan as someone who can no longer withstand what he is living. That's how much pain he felt watching people in this place.

Then, I asked Him, 'Lord, I want you to tell me if I have relatives in this place.' He looked at me as I was crying and he said, 'Daughter, I am with you,'- because I was so scared. Being with Him made me feel safe and I would tell myself, 'If I let go of the Lord, I'll stay here and I don't want to stay here!' As I asked Him about my relatives, He took me to another cell.

I never would have imagined seeing a relative of mine in that cell. I saw this woman who was being tormented and how the worms would eat her face off. As she was being tormented, the demons would plunge a type of spear into her body and when this occurred, she would scream and say, 'No, Lord, have mercy on me, forgive me, please, take me out of this place for one minute!' What's worse, they are tormented with memories of everything that they did while on Earth. In that place demons mock them and tell them, 'Worship and praise because this is your kingdom!' and the souls would scream remembering that they knew God because they knew the Word. Those who had known the Lord were tormented twofold. And the Lord said, 'There is no other opportunity; there is still opportunity for those who are alive.'

When he said this I asked Him, 'Lord, why is my great- grandmother here? I want you to tell me; I want you to explain it to me. I don't know if she ever met you. Why is she here in hell, Lord?' He replied, 'Daughter, she is here because she failed to forgive.' And I insisted, 'Lord, but why is this, why?' He answered, 'Daughter, he who does not forgive, neither will I forgive him.' I kept on, 'Lord, but you do forgive, and you are merciful.' And he answered, 'Yes, Daughter, but it is necessary to forgive because they have not forgiven many people and that is why many people are in this place- because they failed to forgive.'

When he finished saying these words, He told me, 'Go and tell humanity that it is time to forgive, and especially my people, for many of my people have not forgiven. Tell them to rid themselves of grudges, of resentment, of that hatred in their hearts, for it is time to forgive! If death were to surprise that person who has failed to forgive, that person may go to hell, for no one can purchase life.'

When we left that place, the old lady who was my great grandmother was engulfed by the fire and she started to scream, 'Aaaah!' Then she began to blaspheme the name of God, she would curse Him; every person in hell blasphemes against God. As we went out of that area, we could see that hell was full of tormented souls, and as we were walking, many people would extend their hands, begging to the Lord to help them and take them out of there.

But the Lord could do nothing for them and they would start to blaspheme. Then He would start to weep, saying, 'It hurts me to hear them, it hurts me to see what they do because I can no longer do anything for them. What I will tell you

is that I still have opportunity for he who is still on Earth, who has not yet died, who is still alive; he still has time to repent!

At that moment, the Lord told me that there were many famous people in that place and also many people who had known about the Lord, and He said, "I am going to show you another part of the furnace." He took me to a place where I could observe a woman who was surrounded by flames, very much tormented and she would scream begging the Lord for mercy.

He signaled to her with his hand and told me, 'Daughter, that woman that you see over there, surrounded by flames, is Selena.' The Lord told me that Selena was there and we started getting closer to her. She was screaming, 'Lord, have mercy on me, forgive me Lord, take me out of this place!' She was repenting at that moment and the Lord looked at her and He told her, 'It's late, it's too late. You cannot repent now.'

She acknowledged me and turning to me, she said, 'Please, I ask you to go tell humanity about this, please speak out and do not be silent; go and tell them not to come to this place; go and tell them not to listen to my songs nor sing my songs!' I asked her, 'Why do you tell me this; why do you want me to go and say this?' And she answered, 'Because every time that they sing and listen to my songs, I am tormented even more and when I am tormented, the person who does this, who sings and listens to these songs that I used to sing when I was alive, is walking to this place. Please, go tell them not to come here; go tell them that hell is real!'

She would scream and demons would hurl spears from afar into her body and she would cry, 'Help me, Lord, have mercy on me, Lord!' And the Lord told her, 'It is too late.' I looked far away in that place full of singers and artists who have died and all they did was sing and sing- they wouldn't stop singing. The Lord explained, 'Daughter, the person who is here, must continue doing here, whatever she did on Earth, if she has not repented.'

Suddenly, I looked far away and I saw a great number of demons which were spilling a type of rain. I asked the Lord, 'What is that which I am seeing?' I thought it was truly raining, but I was watching people in flames running away from the rain and shouting, 'No, help me, Lord!' They could see the Lord from afar and would scream, 'This can't be, no!' The demons were laughing and I asked again,

'What's happening?' As I was watching, their flames would increase and their worms would multiply! There was no water there, it was brimstone which would multiply the flames and increase each person's anguish, and the demons would laugh and tell them, 'Praise and worship because this is your kingdom forever and ever!' I asked the Lord, 'Lord, what is this?' The Lord replied, 'This is the wages of anyone who has not repented.'

The Lord took me to place where there was a very well known man. Before, I used to live the life of a double minded young Christian girl and as such I thought that any person that died would go to live in heaven; that those who celebrated mass would also go to heaven, but I was wrong. When Pope John Paul II died, my friends and my cousins would tell me that he had gone to heaven. All the news on TV, on Extra and many other places would say, 'Pope John Paul II has died, may he rest in peace. He is now rejoicing with the Lord and his angels in heaven' and I believed all of it, but I was only fooling myself with what people were saying.

When I suddenly saw this man who was being tormented by those flames and I looked at his face, it was John Paul II! The Lord said to me, 'Look, Daughter, that man that you see there, is Pope John Paul II. He is here in this place; he is being tormented because he did not repent. And I asked, 'Lord, why is he here? He used to preach at church.' He replied, 'Daughter, no fornicator, no idolater, no one who is greedy and no liar will inherit my Kingdom.'

To which I commented, 'Yes, I know that is true, but I want to know why he is here, because he used to preach to multitudes of people!' And He responded, 'Yes, Daughter, he may have said many things, but he would never speak the truth as it is. He never said the truth and they know the truth and although he knew the truth, he preferred money over preaching about salvation. He would not offer reality; would not say that hell is real and that heaven also exists;

Daughter, now he is here in this place.' When I looked at this man, he had a very large, scaly serpent with needles wrapped around his throat and he would try to take it off, so I said to the Lord, 'Lord, help him!' He would also say, 'Help me, Lord; have mercy on me; take me out of this place; forgive me! I repent, Lord; I want to return to Earth, I want to go back to Earth to repent.' The Lord observed him and said to him, 'You very well knew; you knew very well that this place was real,' and then the Lord said: 'It's too late; there is no other opportunity for you.'

Then the Lord said to me, 'Look, Daughter, I am going to show you the life of this man.' And He began showing me a huge screen on which I could observe how this man offered mass many times to the multitudes and how the people who were there were so idolatrous. The Lord said to me, 'Look, Daughter, there are many idolaters in this place. Idolatry will not save, Daughter. I am the only One who saves and outside of me no one saves. I love the sinner but I hate sin, Daughter. Go and tell humanity that I love them and that they need to come to me.'

As the Lord was speaking to me these words, I began to see how he received multitudes of coins, bills- and it was all money, all of which he would keep, so he had much money. I saw him seated on a throne and I was able to see beyond that and while it's true that they will not marry, I can assure you – I did not invent this, the Lord showed it to me- those people will cohabit with nuns there; with many women there! The Lord showed me these people living in fornication and the Word says that no fornicator will inherit His Kingdom.

As I was watching all of this, the Lord told me, 'Look Daughter, all of this which I am showing you is what goes on, what he lived and what keeps on happening among many people, among many priests and popes existing.' Then he told me, 'Daughter, go and tell humanity that it's time to turn to me.'

He took me to another place where He began to tell me about many people that were walking to this place, to hell. I asked Him, 'Lord, how is it that they walk to this place?' He replied, 'I will show you.' He started to show me a tunnel. Many people were walking through it, chained from their hands to their feet. They were carrying a load on their back and they were dressed in black and He said to me, 'Look Daughter, those people that you see there, those people don't know me yet.'

That which they carry on their backs is sin, but go and tell them to turn their burden over to me and I will give them rest; that I am He who forgives all their sins.' He added, 'Daughter, go and tell those people to come to me for I await them with open arms and go tell them that they are walking to this place.' As I was watching the many people walking, I told the Lord, 'Lord, that person over there is my cousin; that young man is my cousin, Lord, and that young girl coming down is also my cousin; my family is coming to this place!' He replied, 'Daughter, they are walking to this place, but go and tell them where they are walking, go and tell them they are walking to hell.'

Go and tell them that I have chosen you as my watchman.' I asked Him, 'Lord, what is that?' He answered, "I have chosen you as my watchman, for it means that you are to tell the truth. You must go and tell all that I have shown you. If you do not speak out and something happens to that person, his blood will be

poured over you, but if you go and do as I have told you, then that person has an account with me. If the person does not repent, then the responsibility resting upon you will be lifted, for the account will rest upon that person and his blood will not be poured over you.'

He then told me that many famous people were walking to that place, famous and important people. Take for example, Michael Jackson. This man was a famous man, a man known the world over but this man was a Satanist, although many may not see it that way, but it is the truth. This man had satanic covenants: He would come to agreements with the devil in order to achieve fame and attract many fans.

Those steps that he performed, let me tell you, that's the way demons walk while tormenting people in hell. There's one step that the demons dance, sliding back and not moving forward. That's how they dance in hell while they shout; enjoying the anguish they impose upon those people. Let me tell you that Michael Jackson is in hell. Why? Because the Lord let me see him. This was not during the time that I remained dead. The Lord showed this later on. He let me see Michael Jackson tormented in flames and I cried. Why? I cried because it's not easy to see how this man was being tormented and how he would scream. And anyone who listens to Michael Jackson's songs, who sings Michael Jackson's songs and who is a fan of Michael Jackson, let me tell you that Satan is trapping you in his web so that you will end up in hell. Right now, renounce to that in the name of Jesus! He wants to set you free so that you are not lost.

Then the Lord told me, 'Daughter, there are also people who know me and are walking to this place.' I asked, 'Lord, how can people who know you come to this place?' He replied, 'That person who has become estranged from my ways and that person who is living a double life.' And I said, 'Lord, how is this?' And He started showing me people who were walking to this place. They were tied from their hands to their feet and they each wore a garment, but their garment was different; it was not black, it was white, but it was torn, stained and wrinkled. And the Lord told me, 'Daughter, see how my people has walked away from me, but Daughter, I want to tell you that I am not coming for this people. I am coming for a holy people, ready, without blemish and without wrinkle and without defilement.' And He added, 'Go and tell them to return to the old paths.'

Then I started to see many of my uncles and many people who had walked away from the Lord's ways. And the Lord said to me, 'Go and tell them that I am waiting for them, to surrender their loads to me and I will give them rest.' He was weeping as he said, 'Daughter, they are coming this way. Go and tell your uncles; go and tell your relatives that they are coming this way! Daughter, many

will not believe you, but I am your faithful witness, I am your faithful witness. I will never leave you and even if they do not believe you, Daughter, go and tell them the truth, for I am with you.

I will also show you, Daughter, how people arrive at this place.' And He took me to a tunnel where there were thousands of people falling into the abyss. They weren't a thousand or two thousand; they were as many as the sand at the sea, countless- they were falling by the second! They were falling like fistfuls of sand thrown down. The souls were falling rapidly and the Lord was weeping sadly when He told me, 'Daughter, this is how humanity perishes; this is how it is lost! And He would weep and say, 'Daughter, it hurts me to see how humanity perishes.'

Demons also hold meetings in this place.' And I said, 'Demons hold meetings?' And He replied, 'Yes, Daughter, they meet to plan, to plan what they will do to humanity. They hold daily secret meetings.' And He took me to the demons' cell and I began to see a wooden table and chairs around it and demons – all types of demons.

The Lord explained, 'Daughter, they are now planning to go and destroy the pastors' families, the missionaries, the evangelists and all of those who know me. Daughter, they want to destroy them; they have many darts. And the demons would laugh and laugh. They would mock and say, 'Let's go to destroy humanity and bring it to this place.' But the Lord told me, 'Go and tell them that I am with them. Tell them to not leave open doors, to leave no place to Satan for Satan walks about as a roaring lion seeking whom he may devour.'

But the Word says, 'he walks as', because the only Lion of Judah is Jesus Christ of Nazareth! And I could observe as the demons were mocking and the Lord said to me, 'Daughter, they especially want to destroy the pastors' family.' 'Why do they want to destroy the pastors' family?' 'Because they are in charge of thousands of people that are the sheep of the fold; the sheep of the fold that the Lord has given them. They want these people to return to the world again; to look back and end up in hell.' 'The Lord told me, 'Go and tell the pastors to speak the truth. Go and tell them to preach the truth and to speak everything that I tell them and to never keep to themselves what I tell them!'

We left that place and He told me, 'I want to show you something else.' I said, 'What, Lord?' 'There are also children in this place.' And I replied, 'Children in this place, Lord? Why are there children here? Your Word says, 'Suffer little children to come unto me, and forbid them not: for of such is the kingdom of heaven.' He replied, 'Daughter, it's true, of such is the kingdom of Heaven, but

that child must come to me, for he who comes to me I will not throw out.' Instantly, the Lord showed me an eight year old boy.

This boy was being tormented amidst the flames and he cried out to the Lord, 'Lord have mercy of me, take me out of this place, I don't want to be here!' And he would cry and scream and I began to see demons around him that were known as Dragon, BoyZ, Ben 10, Pokemon, Doral, etc, which are animated cartoons and I asked, 'Lord, why is this boy in this place?' I

began to see in a large screen that the Lord showed me, how this boy was being tormented, but before that, he showed me his life. And I could see how he would spend all of his time in front of the TV set watching these cartoons.

And the Lord told me, 'Daughter, these animated cartoons, those movies, those soap operas that are seen daily on TV are Satan's instruments to destroy humanity.' Then He told me, 'Look, Daughter how this came to be.' I began to see how that boy was rebellious and disobedient toward his parents. When his parents talked to him, he would run away throwing things and disobeying them. When this happened a car ran over him and ended his life.

The Lord told me, 'Ever since that instant, he has been in this place.' I looked at the boy as he was being tormented and the Lord said to me, 'Daughter, go and tell parents to instruct their child as is written in my Word.' The Word of God is real. The Word says to correct the child with the rod, but not every moment, only when the child has been disobedient to his parents.

The Lord told me something that is very sad, very painful. He said, 'Daughter, there are many children in this place because of animated cartoons, because of rebellion.' I asked Him, 'Lord, why are animated cartoons to blame for this?' And He explained, ' Because they are demons that carry rebellion, disobedience, bitterness and hatred to children; and other demons that exist there enter these children , so that they do not do good things , but do that which is bad: whatever children see on TV they want to do in reality.'

As people may see, hell exists in reality; hell is real and even children must decide with whom they will go. I said, “Lord, I need for you to explain something to me: Why are there children in this place?” And He answered, 'Once children have knowledge that there is a heaven and a hell, then they have a place to choose.'

The Kingdom of Heaven

The Lord told me, 'Daughter, now I am going to show you what I have prepared for my holy people.' However, it doesn't end there. There's much more to be said about hell, but the Lord then took me out of there through the tunnel. We went out through the tunnel, and suddenly, we were out where there was light and no more darkness, no more torment and no more flames. And He told me, 'Daughter, I am going to show you my glory.’”

And we started ascending to the Kingdom of Heaven! At the top of a door, with large letters written in gold, it said: 'Welcome to the Kingdom of Heaven' and then the Lord told me, 'Daughter, go in, for I am the Door and he who enters through me, will enter, will go and will find pastures.' When the Lord said these words, the door opened and we entered.

I observed angels in adoration giving glory, honor and praise to our Heavenly Father! As we continued walking, we approached a table of which I was able to see the beginning, but not the end. I observed a large throne and a smaller throne surrounded by thousands of chairs. Between the chairs, a garment had been laid and also a crown.

The Lord told me, 'Daughter, the crown that you see there is the crown of life.' And He added, 'Look, Daughter, this is what I have prepared for my people.' I saw that the table was covered with a white tablecloth with gold edging. I saw fruit and observed how everything was served. There were plates and gold goblets – very beautiful- and I saw something, like a very large vessel in the middle of the table which contained the wine for the dinner. And the Lord said to me, 'Daughter, everything is ready for the arrival of my church.'

The Lord took me to another place and I was able to observe many people in a garden. In this garden, I observed well known people from the Bible, but they were not aged. They were young, like 15 or 17 or 18 years old. I observed a young man with a large kerchief in his hand who danced and whirled around and praised the Lord. And the Lord told me, 'Daughter that young man that you see there is my servant, David.' He was giving glory to our Father.

Suddenly, another young man passes by and He starts to tell me, 'Daughter, he is Joshua; he is Moses; this other young man is Abraham, and he would call them out by their names, but they all had the same countenance! I was not able to give out their names, because they all looked the same to me!

Then he started showing me women. He told me, 'Daughter, 'that woman that you see there is my servant, Mary Magdalene; my servant, Sara,' and suddenly He told me, ' Daughter, she is Mary, Mary, who gave birth to Jesus Christ, Who I am.' 'Daughter, I want to tell you that she has no knowledge of anything that exists on Earth.

I want to tell you that you must go and tell humanity, tell idol worshippers that hell is real and that idolaters will not inherit my kingdom, but go and tell them that if they repent, they can enter my heavenly dwelling place. Go tell them that

I love them and tell them that Mary has no knowledge of anything and the only One that they must exalt is me, because neither Mary, nor St. Gregory nor any other saint can offer salvation. I am the only One who saves and outside of me – nobody, nobody, nobody- saves!' He repeated it three times - that nobody could save; only He saves.

Humanity has been deceived believing in an assumed saint, which is not, but is a demon working through that idol made by the hand of man. But, let me tell you that the Lord wants to give you the best. He wants you to enter the Kingdom of Heaven; to repent and to leave idolatry to the side because idolatry will not save you. He who saves is Jesus Christ of Nazareth, who gave his life for you, for me and for all humanity.

The Lord has a great message for humanity. As He wept, He told me, 'Please, Daughter, do not be silent; go and tell the truth, go and tell what I have shown you.' I then saw how Mary worshipped the Lord and I could see those women with very beautiful hair, long hair and I told the Lord, 'Lord, how pretty the way they wear their hair.' He told me, 'Daughter, that which you see is the veil that I have given to a woman.' He added, 'Daughter, go and tell women to take care of the veil that I have given them.'

Then He told me, 'I have something to show you that is very important.' Suddenly, I looked far away, in front of what I was observing, and I saw a shining city, a city of gold. And I said, 'Lord, what is that which I am seeing over there? I want to go over there.' He answered, "Daughter, I will show you what is over there. What you are seeing is the heavenly dwelling, the heavenly mansions which are ready for my people.'

We began to walk and moved away from the people that were worshipping the Lord. We reached a golden bridge, walked over it and came upon the streets that were made of pure gold! Everything was so beautiful and as I looked around everything was brilliant as shining glass and everything was reflecting as if looking into a mirror and – it was absolutely supernatural, something inexplicable!

We kept on walking and approached the heavenly mansions and I saw the angels and watched as thousands of angels were constructing: Some constructed very rapidly, others constructed slowly and others were not constructing. My question was, 'Lord, I want you to tell me something.' He replied, 'Tell me, Daughter, what is it that you want me to tell you?' 'Lord, why are those angels constructing rapidly, why are those constructing slower and why have those stopped constructing?'

In few words the Lord explained, 'Daughter, that is how my people work on Earth and the angels work as my children work on Earth.' I said, "Lord, I don't understand.' He answered, 'Daughter, my people no longer spread the gospel, my people no longer fast, my people no longer go to the streets to distribute tracts telling the truth. My people are now ashamed. Go and tell my people to return to the old paths.

Those angels that you saw that were doing nothing belong to those people that have walked away from my paths.' And the Lord repeated, 'Daughter, Go and tell my people to return to the old paths,' and He started to weep. I asked Him, 'Lord, why are you weeping?'

At the same time I began to hear a song that went, 'Haaaaalellujah' but the voice was 'Haaaaa'; it was a chorus of 'Haaaaa' and then the 'lellujah' followed. I told Him, 'Lord, I want you to take me over there. I want you to take me where those persons are singing.' Then He observed me; He was observing me- I could tell how He was observing me, but I couldn't see his face – only the movements of his face.

While He was watching me, his tears were pouring over his garment and I asked Him why he was weeping, but He would not explain it to me- and then we

arrived at this beautiful garden. There, among the heavenly mansions, I saw flowers that were swaying. They were the ones that were singing!

And the Lord pointed with his finger and said, 'Daughter, look, they praise me; they worship me! My people no longer do as they did before. My people no longer praise, no longer worship me; no longer seek me as before. That is why I told you, Daughter, to go and tell my people to seek me, for I will go, I will go, I will go - for a people that seeks me in spirit and in truth, for a people that is ready, for a holy people!'

And as He wept, He would say, "I am coming, I am coming!" Now I understand why the Lord was weeping, for the Lord is coming, but not for those that are half hearted – no. He will return for a people that is seeking Him in spirit and in truth.

Then the Lord told me that I had to return to Earth and I told Him, 'Lord, I don't want to go to Earth! What is that? What do you mean – Earth? I want to stay with you. You brought me here and I'm not going anywhere because I am with you! And He told me, 'Daughter, it is necessary that you return to Earth to go and testify that my glory is real, that what I am going to show you is real; that what you have seen is real – so that humanity will come to me, repent and not perish.' Weeping, I instantly knelt at his feet, and as I was inclined forward, I saw a wound on his feet.

I asked Him, 'Lord, what is this that you have here?' He answered, 'Daughter, it's that scar from that yesterday when I gave my life for humanity.' I stood up and He showed me the scar in his hand and when I saw it, I asked, 'Lord, why do you still have that?' He told me, 'Daughter, it is the scar that has remained.' I asked him, 'Tell me something: Will this go away?' He replied, "Daughter, this will go away when all the saints are reunited here.'

Then He told me, 'Daughter, I must take you to Earth: Your family and the nations are waiting for you.' I told him, 'Lord, my family? I don't have a family.' He pointed down to Earth with his finger and said, 'Look, those persons that you see down there are your relatives; that body that you see there, is where you have to return.'

Then He said, 'It is time to leave this place.' Then He took me along a beautiful river, a crystal clear river and He told me, 'Daughter, enter the river and submerge yourself.' Before I entered that crystalline river of living water, I was joyful, my joy was indescribable, but after I submerged myself and came out, I was elated and I thought that after entering the water I was already there and

would not have to return. But the Lord told me, 'Daughter, you have to return to Earth,' to which I responded, 'Lord, I don't want to go back!'

The Rapture and Tribulation

He told me, 'Daughter, I am going to show you something: How I am going to go for a holy people to Earth. I am going to show you how the day of the Rapture will be.' We walked until we reached a place where I could observe a giant screen and people in it. At the same time I could observe the whole world and how small it looked and then suddenly I saw how thousands were disappearing.

Pregnant women saw their pregnancy disappear and they looked like they had gone crazy screaming. Children had disappeared everywhere and many people were running to and fro, screaming, 'This can't be, this can't be! What's happening?' And those who had known the Lord and were left behind were saying that Christ had come, that the Rapture had occurred and they screamed and wanted to kill themselves; wanted to hang themselves and so many other things, but they couldn't.

The Lord told me, 'Daughter, in those days, death will flee; Daughter, in those days the Holy Spirit will no longer be on Earth.' When the Lord said these words, I observed an enormous traffic and thousands of people. He told me, 'Daughter, look, this is how everything will happen.' I then saw people running. There were accidents but I could not observe a single dead person: all of them were alive, although injured. They kept on running from one place to another, shouting, 'Christ came, Christ came!' They would plead, 'Lord, forgive me, forgive me- take me with you!' But the Lord, very sadly said, 'It' too late. The time to repent is now.'

He told me, 'Daughter, go tell humanity to seek me, for during that time there will no longer be opportunity. Daughter, it will be too late for all those that stay behind.' When the Lord observed how humanity was left behind, He began to weep and only said, 'Daughter, I will go to Earth as says in 1 Thes. 4: 16-17 : “For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first; Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord.”’.

But not everyone will go with the Lord, only those who are doing his will and living a holy life for the Lord told me, 'Only those that are holy will enter the

Kingdom of Heaven,' Another very important thing which he told me: 'No one knows, neither the day nor the hour in which I will go for my holy people, not even the angels know it.' As He said this, the screen which was about to close, revealed people running and magazines and TV news said that "Christ had come". The screen closed and the Lord told me, 'I will go for a holy people.' This was all that the Lord showed me. From there He brought me back here to Earth,

Return to Earth

Maxima:

When she knew she was returning, we were there with her stretched out on the floor, waiting for her return with a moan – nothing else. She went, 'uuhmm' – nothing else. I said, 'Thank you, Lord, because my daughter is here now!' I knew that she was here. All of us gave thanks to the Lord, and from then on we laughed and talked, because we knew; nothing else - just a moan.

From then on, she started breathing slowly, little by little, until about five hours had gone by and she was able to open her eyes and talk. You could hardly understand what she was saying; it wasn't clear enough. The first five hours she just lay there and slowly started to pick up. She would sigh, but after the moan everything was slow. She began sighing slowly until it normalized.

After five hours when she opened her eyes, we kept the windows shut and covered the door entrance with a big blanket. The light was off because she couldn't stand the light at all – at all, nothing, nothing; the light would bother her. When she began speaking after five hours, they were just words and she would get too tired; she had no strength. And we just sat there, wondering. We wanted to know; we wanted her to tell us quickly what she had seen, what had happened? She couldn't tell us. She would tell us a little bit and then she would be tired.

Two weeks went by until she was able to share her testimony, all of it. Demons arrived to torment her after all this. She could see them clearly. They would be disguised in the shadows. They were here within three days of her return and she couldn't talk yet. She asked them what they wanted and they replied, 'We have come to make a pact with you.' She asked, 'What is that pact?' They told her, 'You must shut up. You must not say anything of what you saw down there, because if you speak, we will kill you.' She would rebuke them, but they would not leave. She rebuked them again and suddenly, a light appeared, a tremendous light, a wonderful blessing, and then they would flee! It was the Lord, for she had no strength.

She described the demons as ugly – very, very ugly. They were large and fat, ugly. She said there was no word to describe how horrible they were. They would arrive and throw themselves upon her to choke her and she would fight back rebuking them, but she had no strength. Then the Lord would arrive and they would leave.

The message to all humanity is to seek God. What my daughter went through was not easy. It's a profound message because humanity feels that what it is doing is alright. Youth that are in drugs and alcohol nowadays think that it is alright, but it is wrong. One of the greatest experiences that my daughter had was when she saw many entertainers in hell, including dancers, and also, Pope John Paul II.

Then, the message is that it is time to seek the Lord, to repent and to humble oneself before Him. What the Lord left written in his Word is real with a central message that says, 'Heaven and Earth shall pass away, but my words shall not pass away.' The Word of the Lord will come to pass in its due time.

The Lord also showed her that tunnel where people were walking to hell. Many people are already in hell. Then, it is something that is real. Even the Lord's people don't believe this- they don't believe. But this experience that the Lord allowed my daughter to have and took her to that place is something tremendous. The message is for us to seek the Lord, to turn to him not from the lips, but from the deepest part of the heart, for the coming of the Lord is at hand.

He told us once that He had not come out of his love for humanity, but that He was at the door and explained, 'I am no longer at the door; I am beyond the door. I will come soon; my coming is near. My people have left me and gone back to worldly things.' But the Lord gave us a message and told us:

'Tell my people to return to the old paths.' The church today must go back to the old paths, for we know that it is where we are in the fire: seeking the Lord. When the trumpet sounds we must be ready to meet the Lord: It will be wonderful!

The Lord's Urgent Message

Angelica (before an audience):

The Lord told me at that moment, 'Daughter, in those days the Holy Spirit will no longer be on Earth. In those days, He will no longer be on Earth.' And I began to see an enormous traffic; I began to see accidents and how people

wanted to kill themselves. He told me, 'They shall seek death, but death shall flee from humanity. Death will no longer be during that time.'

Suddenly, I began to see people watching TV and magazines that read, 'Thousands and Thousands have Disappeared.' Many already knew that Christ had come for his holy people. Those people that had been left behind, who had known the Word, went crying through the streets, wanting to kill themselves, but they could not do anything. The Lord closed the screen and told me, 'I will come for a holy people and I will come soon for my church.' That's what He told me in the Kingdom of Heaven.

But two weeks ago the Lord said to me, 'Daughter, I take pleasure in what you are doing, that you are fulfilling what I have given you, but do not tell my people that I am coming soon. Tell my people that I am coming right away. 'Again the Lord told me, 'Tell my people that I am coming right away and that I am coming for a holy people. Tell my people that only the holy ones, only the holy ones will see me!' That afflicted me and he added, 'And do not be silent: Keep on declaring what I have told you.'

Angelica praying with the audience:

Close your eyes and place your right hand over your heart. Raise your left hand and if you feel like crying, cry; and tell the Lord what you feel in heart to tell Him. Repeat after me – all of those that are going to accept the Lord- repeat this prayer with me:

'Lord, I thank you for your love and your mercy. I thank you, Lord, for the word that has reached my heart today. In this hour, Father, I ask for your forgiveness. Forgive me. Wash me with your precious blood. Write my name in the Book of Life. Accept me as your child, Lord. In this hour I forgive anyone that I had not been able to forgive. I renounce to my lack of forgiveness. I renounce to all that has hindered your flow and I ask you to transform me and to fill me with your presence every day. Thank you, Father, Son and Holy Spirit; in the Name of Jesus, Amen.

Angelica:

This testimony is not a lie; it's not a joke; it is not a story; it is not a dream, hell is real! Hell exists! To anyone that does not believe, I want to tell you that hell is real, very real. I cannot find words to tell you how real it is. I wish that you could experience it yourself.

Angelica speaking with Narrator:

“The time is soon and God allows signs to reveal to humanity what is about to happen. Do not remain condemned; that's what the devil wants. Have you asked yourself if you are already walking through hell's tunnel? Today is the day of salvation and for you to invite Jesus, your Savior into your life. These are simple and yet great words to say: 'I accept you, Jesus as my Lord and my only Savior. I give you my life and soul with all my heart. I want to be with you for eternity.’”

“Take this now and choose your final destiny: Life or death, heaven or hell, Jesus or the devil. It's clear: either you belong to Jesus or to the devil. Either you do what is right or you do what is wrong. You choose your destiny: eternal life or the lake of fire. Think about it. Take it and decide now. Jesus Christ died on the cross for each one of us- for our sins- and He gave us the opportunity of salvation by his mercy. Accept Christ as your only Savior. You just heard it and you saw it. Don' t let this moment be remembered forever while you are condemned for eternity in hell.”
