Revelations of Hell

1st Testimony

(Luke 16:19)

There was a rich man that dressed in purple and fine linen, who enjoyed luxurious living every day. In front of his gate a beggar named Lazarus was placed, covered with sores, and hungering to be fed crumbs that fell from the rich man's table. Even the dogs came and licked his sores.

The beggar died and was carried by the angels to Abraham's bosom. The rich man also died and was buried, and while suffering tortures in Hades, he looked up and from a distance saw Abraham with Lazarus in his bosom. So he called out, Father Abraham, take pity on me and send Lazarus to dip his finger tip in water and cool my tongue, for I am tormented in this fire.

But Abraham said, Son, remember that you enjoyed the good things in your lifetime while Lazarus had the bad things; now he is being comforted here but you are suffering anguish. Besides, there is a great chasm fixed between you and us, so that those who want to cross from here to you are unable; neither can they cross from your side to us.

The Bible, the word of God, is very clear about the subject of heaven and hell. In this portion that we have just read, the Lord tells us about two places: Heaven and Hell, the condemnation or the salvation. There is no intermediate place. Purgatory does not exist. Limbo does not exist, where men exist for a while after they have departed from the Earth and then go to heaven; the Bible is very clear about that.

(April 11th 1995)

God gave us a revelation that would change the trajectory of our lives. We had just begun to know about God and His Word. We are seven youth to whom God has given the privilege and great responsibility of sharing this revelation with the world.

Everything started about approximately 10:00 a.m. We were praying and were prepared to go out on a picnic later on that day. Suddenly around 10 am, a very powerful white light shone through one of the windows. When the light appeared, all of us immediately started to speak in tongues and were baptized with the Holy Ghost.

In that moment, all of us were astonished and fascinated with what we saw. That glorious light was illuminating the entire room. The light was much stronger than the light from the sun. In the middle of the light, we saw a host of angels dressed in white. These angels were so beautiful, tall, and very good looking.

In the middle of all those angels we saw something amazing -- the figure of a Man. This image was a special being, a man who was dressed in a very white mantle and robes. His hair was like gold threads. We could not see His face because it was too brilliant. However, we saw a golden belt around His chest, with gold lettering that said: "*King of Kings and Lord of Lords.*" He was wearing pure gold sandals on His feet, and His beauty was without equal. When we saw the presence of that Man, all of us fell to our knees.

Then we started to hear His voice. It was very special and wonderful; every word drilled into our hearts like a double-edged sword; just like it is written in the word of God (Hebrews 4:12). He spoke to us in very simple but powerful words. We audibly heard Him say to us, *"My little children don't be afraid, I am Jesus of Nazareth, and I have visited you to show you a mystery so you can show and tell to towns, nations, cities, churches, and all places. Where I tell you to go, you will go, and where I tell you not to go, you will not go."*

The Holy Bible, the Word of God, says in Joel 2:28 *"It shall come to pass after this that I will pour out My Spirit upon all flesh, your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions."* These are the times that God is preparing for everyone.

Then something strange happened, a rock appeared in the middle of the room, and the Lord, who was with us, made us get on that rock. The rock was about eight inches above the floor, and a huge hole appeared in the floor. It was a huge, black, terrifying hollow or cavern. Soon, we fell on top of the rock and went down through the hollow in the floor. It was dark and it leads us to the centre of the earth.

While we were in that gloomy darkness, we were so scared! We were so afraid that we said to the Lord, *"Lord we don't want to go to that place! Don't take us to that place Lord! Take us out of here Lord!"* The Lord answered us with a very beautiful and compassionate voice, *"This experience is necessary so you can see and tell others."*

We were in a horn-shaped tunnel, and we stared to see shadows, demons and figures that moved from one place to another. We kept going deeper and deeper down. In just a matter of seconds, we felt emptiness and a great fear.

We then arrived at some caverns; at some horrible doors, like a labyrinth. We didn't want to go inside. We noticed a terrible smell and a heat that choked us. Once we entered, we saw terrible things, frightful images. The entire place was engulfed in flames; and in the middle of these flames, there were bodies of thousands of people. They were suffering in great torment. The sight was so horrifying; we didn't want to see what was shown to us.

The place was divided into different sections of torment and suffering. One of the first sections that the Lord allowed us to see was the **"Valley of the Cauldrons"** as we called it. There were millions of cauldrons. The cauldrons were inlaid at the level of the ground; each of them was burning with lava inside. Inside each one was the soul of a person who had died and gone to hell.

As soon as those souls saw the Lord, they started to shout and screamed, *"Lord, have mercy on us, Lord give me a chance to get out of this place! Lord, take me out and I will tell the world that this place is real!"* But the Lord didn't even look at them. There were millions of men, women and young people in that place. We saw drunkards in torment. We saw all of these people shouting in such great torment.

It shocked us to see how their bodies were destroyed. Worms were coming in and out of their empty eye sockets, mouths, and ears; and were penetrating the skin all through their bodies. This fulfils the word of God written in the book of Isaiah 66:24 *"They shall go forth; they shall gaze upon the dead bodies of those who have rebelled against me; for their worm shall not die, nor shall their fire be quenched; they shall be abhorrence to all mankind."* Also in Mark; 9:44: *"Where their worm never ceases and the fire is not put out."* We were just horrified at what we were watching. We saw flames about 9 to 12 feet high. Within each flame, there was the soul of a person that has died and went to hell.

As we started to walk on the edges of that place, the souls extended their hands to us and begged for mercy. They asked Jesus to take them out of there, but the Lord would never even look at them.

Then we started going through different sections. We came to the most terrible section of hell, where the worse torments happen; the centre of hell. The most concentrated forms of torment; such torments that a human being could never express them. The only people here were those who knew Jesus and the Word of God, there were pastors, evangelists, missionaries, and all types of people that had once accepted Jesus and knew the truth; but lived a double life.

There were also backsliders; their suffering was a thousand times worse than any one else. They were shouting and begging the Lord for mercy, but the word of the Lord says in the book of Hebrews 10:26-27, *"For if we go on sinning willfully after acquiring the knowledge of the truth, there is no longer left any sacrifice for sins, but some dreadful anticipation of judgment and of a fierce fire that is to devour those who oppose God."*

Those souls were there because they preached, fasted, sung and lifted their hands in the church but in the streets and homes they were in adultery, fornication, lying, and robbery. We can not lie to God. The Bible says that he to whom much has been given much also will be required. (Luke 12:48)

God then allowed us to see two women that had once been Christian sisters while on the earth, but they didn't live a righteous life before the Lord. One said to the other, *"You cursed wretch! It's your fault that I am in this place! You*

didn't preach to me a holy gospel! And because you didn't tell me about the truth, I am now here in hell!" They would say these things to each other in the midst of the flames, and they hated each other because there is no love, mercy or forgiveness in hell.

There were thousands of souls who had known the Word of God, but their lives weren't clean before the holy presence of the Lord. ***"You cannot play with God or with the flames of the hell either!"*** the Lord said. He also told us, ***"My sons, all the suffering on the earth concentrated in just one place is nothing, NOTHING compared with the suffering that a person has in the best parts of hell."*** If it is that terrible for those who suffer least in hell, how much worse must it be for those in the center of hell, who once knew the Word of the Lord and walked away from it. Then the Lord told us that we that we could play with the fire on the earth, but never with the fire in hell.

We continued walking through different places and the Lord showed us many different people. We could see that all the people there had approximately six different types of torments. There were souls tormented by demons with all types of punishments. Another terrible punishment was their own conscience saying, *"Remember when they preached to you, remember when you heard the Word of God, remember when they told you about hell and you laughed about it!"* Their own consciences tormented them; just like the worms that crossed all over their bodies, like the consuming fire that was thousands and thousands times more hotter than we know. This was the reward that the devil has for all those who seek him and follow him.

The Word of the Lord says in Revelation 21:8 *"As for the cowardly, however, and the unbelieving, and the fearful, the murderers, the immoral, those practicing magic arts, and idolaters, and all liars- their lot is in the lake that burns with fire and sulfur. This is the second death."*

Next, the Lord showed us a man that had murdered six people. These six people now surrounded him, and were shouting at him saying, *"It is your fault that we are all in this place, YOUR FAULT!"* The murderer tried to cover his ears because he didn't want to listen to them, but he could not avoid listening since in hell all your senses are much more sensitive.

Souls in that place were tormented with an intolerable thirst for water that can not be satisfied in any way; like the Bible story of Lazarus and the rich man. (Luke 16:19) The rich man in Hell wanted only one single drop of water that would have been enough. The Word of the Lord says in Isaiah 34:9, *"The streams of Edom shall be turned into pitch and her soil into brimstone; her land shall become burning pitch."*

In that place, every soul was in the middle of the fire. People saw mirages of crystal-clear rivers in the middle of the fire; but when they tried to reach them, the rivers turned into fire. They also saw trees with fruit that gave out water; but when they tried to take them, they burned their hands and demons would ridicule them.

Then God took us to a place much worse than the other places that we had seen. We saw the lake of fire and brimstone. On one side of that lake there was a smaller lake. In that smaller lake, there were millions and millions and millions of souls crying and begging the Lord to have mercy on them. They said to Him, *"Lord please, and take us out of here at least just a little moment! Please give me the chance to go out!!!"* However, the Lord could not do anything for them because their judgment was already set.

Among those millions and millions of people, the Lord allowed us to focus on one man whose body was half-way submerged in the lake of fire. The Lord let us understand and know his thoughts. The name of that man was Mark. We were amazed by the things this man said to himself, in his thoughts. We learned an eternal lesson when we heard the following thoughts, *"I would give anything to be in your place now! I would give anything to go back to the earth just for one minute. I wouldn't care if I were the most miserable, most sick, most hated, or the poorest man in the world; I would give anything to go back! Just for one minute on the earth."* The Lord Jesus was holding my hand. Jesus replied to Mark's thoughts saying, ***"Mark, why would you like to come back to the earth even for just one single minute?"*** With a crying and tormented voice, he told Jesus, *"Lord! I would give anything to go back to the earth just for one single minute simply to repent and be saved."*

When the Lord heard what Mark had said, I saw blood come from Jesus' wounds and tears filled His eyes as He said, ***"Mark, it is too late for you! Worms are set for your bed and worms will cover you."*** (Isaiah 14:11) When the Lord said this to him, he sank in the lake forever. Sadly, all those souls have no more hope. Only we on Earth have the chance to repent today and go to Heaven with our Lord Jesus Christ.

I now leave you with my sister to continue this testimony, thank you.

2nd Testimony, Lupe

God bless you dear beloved brothers. Let's read the Word of the Lord from Psalms 18:9. *"He bowed the heavens and came down; thick darkness was under*

His feet" When the Lord reached for my hand, I grabbed His hand and we started to descend down that tunnel. The tunnel grew darker and darker to the point that I could not even see my other hand, that wasn't holding onto the Lord's hand.

Suddenly, we passed something dark and sparkling; which was making noise. The darkness was so dense; your hand could not even find the walls of the tunnel. Our descent was so fast, that I felt like my soul was separating from my body.

Soon I noticed a very rotten smell; like the smell of rotten flesh. It was getting much worse each moment. Then I heard the voices of millions and millions of souls. They were endlessly shouting, crying out and moaning. I was so frightened that I turned to the Lord and said, "*Lord where are you taking me, Lord have mercy on me! Please have mercy on me!*" The Lord only said, "***It is necessary that you see this, so you can tell everyone else.***"

We continued down through this horn-shaped tunnel until we arrived at place that was entirely dark. Like pulling a heavy curtain from my eyes, I then saw millions and millions of flames. Even worse, I heard these agonizing screams but couldn't see anyone. I was really scared. I said to the Lord, "*Oh please Lord, and have mercy on me! Oh please Lord, have mercy on me! Don't take me to this place! Forgive me!*" At this time, I didn't think that I was just a spectator in hell; I thought it was the day of reckoning. Standing before the Lord Jesus, I was shaking violently because I really thought this was the end of my life.

We drew closer to a big flame ahead of us; it was huge and burning with fury. I continued going down slowly, seeing multitudes of flames and hearing millions of souls crying with one voice.

Then I saw a wooden table that was not being consumed by the fire. It had what appeared like beer bottles on it. These looked refreshing, but they were full of fire. As I was looking at this, a man suddenly appeared. His flesh was almost completely destroyed and what was left of his clothes was muddy and burning. He had lost his eyes, mouth, and all his hair from the fire. He could see me, even though he had no eyes. I tell you it is the soul of a person that thinks, reasons and truly sees; not your natural body.

The man extended his skinny hand towards the Lord and started to cry out, saying, "*Lord, have mercy on me! Lord, have mercy on me! I am in pain! I am burning! Please have mercy and take me out of this place!*" The Lord looked at him with pity, and I started to feel something warm in my hand. I looked and

it was blood...the blood of Jesus! The Lord's blood came from His hand while He was watching this suffering man engulfed in flames.

Then the man turned his gaze in the direction of the table and walked towards the bottles. He grabbed a bottle but as he was about to drink from it, fire and smoke shot out of the bottle. He put his head back and screamed like I have never heard before. He cried with such great pain and sorrow and then started to drink what was in this bottle. But the bottle was full of acid and his throat was totally destroyed by it. You could see the acid passing through his stomach and hurting him.

The number 666 was engraved on the forehead of this man. On his chest was a plate made of some unknown metal which couldn't be destroyed, not even by the heat or the worms. It has some letters written on it, but we could not understand them. The Lord, in His great mercy, gave us an interpretation of what was written. **"I am here because I am a drunkard."** He begged the Lord for mercy, but the Word of God is very clear when it tell us in 1 Corinthians 6:10 *"thieves, greedy people, drunks, slanderers, and robbers will not inherit the kingdom of God."*

The Lord showed me this man's last moments on earth, just like a movie or film. It was like a big television screen showing me his last seconds before death. The man's name was Luis and he was in a bar drinking. I saw the same table and the same bottles in that bar. Around this table were his friends. *(I can tell you this now, there is only ONE TRUE FRIEND, and His name is JESUS CHRIST. He is the faithful friend.)* Luis was drinking and his friends were already drunk. His best friend took a bottle, broke it and started stabbing Luis. When he saw Luis lying on the floor he ran away, but Luis bled to death on the floor. The saddest thing was that he died without the Lord.

In the middle of all this, as all those souls in hell were crying out, I asked the Lord, *"Oh Lord, please tell me, did this man know about you? Did he know about your salvation?"* The Lord sadly replied, ***"Yes Lupe, he knew about me. He accepted me as his personal saviour, but he did not serve me."*** Then I felt even more fear. Luis cried louder and shouted, *"Lord this hurts! This hurts! Please have mercy on me!"* He extended his hand again towards the Lord, but Jesus took my hand instead and we walked away from the flame. The flames consuming Luis became more violent, and he cried louder, *"Have mercy on me! Have mercy on me!!"* He was then lost in the flames.

We continued walking; this place was just so huge and scary! We approached another flame and I said to the Lord, *"Lord, no! Please I don't want to see anymore of this! I beg you to forgive me! Please forgive me! I don't want to see*

this!" So I closed my eyes, but it didn't matter, open or closed I still saw everything. This flame started to go down slowly and I began to see a woman. She was covered with mud, and the mud was full of worms. She had very few hairs left, and she was caked with worm-infested mud. She was consumed by worms all around and she shouted, *"Lord, have mercy on me! Lord, have mercy on me and forgive me! Look at me! This hurts! Have mercy on me! Take away these worms! Take me out of this torment because it hurts so much!"* The Lord simply looked at her with great sorrow. As we held His hand, we could feel the pain and sorrow in the Lord's heart for all the lost souls, eternally burning in the flames of hell.

This woman had no eyes or lips, but she could still see and feel; all the pain was just stronger. She had a bottle in her hands, full of acid, but she believed it was perfume. I could see that it was acid and every time she sprayed her body, it burned her. Nevertheless, she still kept applying this acid on her body over and over. She kept saying that it was an expensive perfume. She also believed that she was wearing a beautiful necklace, but all I saw were serpents wrapped around her neck. She believed that she was wearing very expensive bracelets, but I saw they were actually worms, about a foot long, furiously digging into her bones. She said that her jewelers were all she had, but I saw scorpions and worms all over her body. She had a metal plate that everyone wears in hell. It read **"I am here for robbery."**

This woman had no remorse for her sin. The Lord asked her, ***"Magdalena, why are you in this place?"*** She answered, *"It didn't bother me to steal from others. The only thing I cared about was having my jewelers and getting more expensive perfumes. I didn't care who I robbed, as long as I looked good."*

I held onto Christ's hand as I saw the worms burrow through her entire body. Magdalena turned around looking for something. I asked the Lord once more, *"Lord, did this person know about you?"* And the Lord answered, ***"Yes, this person knew me."***

Magdalena started to look around, saying, *"Lord where is that woman who talked to me about You? Where is she? I have been in hell for 15 years."* All people in hell can remember everything. Magdalena kept asking, *"Where is this woman? I can't see her!"* I knew her body could not turn around because her flesh remained in the same position. She tried to turn and look into other flames, to find that woman who talked to her about God. The Lord replied, ***"No! No, Magdalena, she is not here. That woman that told you about Me is with Me in the Kingdom of Heaven."***

Upon hearing this, she threw herself down in the flames and which burned her even more. Her metal plate condemned her as a thief. I want you to read in the Word of the Lord in Isaiah 3:24. *"It shall be, that instead of a sweet smell, there will be rottenness; instead of a girdle, a rope; instead of well-set hair, baldness; instead of a rich robe, a wrapping of sack-cloth; instead of beauty, a branding mark."*

As we continued walking with the Lord, I saw a very big column filled with worms. Around it was a slide made of red-hot metal. On this column there was a brightly-lit billboard that could be seen from anywhere. The Billboard read, **"Welcome all liars and gossipers."** At the end of the slide was a small boiling lagoon. It looked like burning brimstone. Then I saw a totally naked person coming down the slide. As they slid, their skin would peel off and stick to the slide. When they fell into the burning lagoon, their tongue expanded until it exploded and worms appeared in place of the tongue. This began their torment. The Word of God says in Psalm 73:18-19 *"Surely you did set them in slippery places: you cast them down into destruction. How are they brought into desolation, as in a moment! they are utterly consumed with terrors."*

After seeing this, we were taken back, out of Hell. I just want to tell you that Heaven and Hell are even more real than this physical world that we know. It is here where you decide what direction you want to go; to spend eternity with Jesus or to a burning hell. The Lord kept saying to us, ***"Without holiness no man will see me, without holiness no man will see me."*** (Hebrews 12:14) That is why I tell you the same thing now, ***"Without holiness you can not see the Lord."***

3rd Testimony, Sandra

Let's go to the Word of the Lord in Matthew 10:28 *"Do not be afraid of those who kill the body but cannot kill the soul; but rather fear Him who is able to destroy both soul and body in hell"*

Whenever a soul arrives in hell, that person acquires a body of death. The Lord Jesus took my hand and we began to go downwards through a very deep dark tunnel that led to the center of the Earth. We arrived at a place with several doors; one of them opened and we entered with the Lord. I would not let go of the Lord's hand, because I knew if I did, I would stay in hell forever.

Upon entering that door, I saw was an enormous wall. There were thousands of people hung from their heads by hooks, with shackles that bound their hands to

the wall. We also saw many thousands of people standing in the midst of flames everywhere.

We went in front of one of the flames and it started to go down slowly. Soon I could see a person inside, and when he spoke, I could tell it was a man. The man was wearing a priest's garments, which were totally filthy and shredded. Worms were slithering inside and out, all over this man's body. He looked charred and burnt by the fire. His eyes were plucked out and his flesh was melting and falling to the ground. But after the flesh would all fall off, it would grow back, and the whole process would resume.

When he saw Jesus he said, *"Lord, have mercy on me, have mercy on me! Please let me out of here just a moment, just a minute!"* On this man's chest was a metal plate that read, **"I am here for robbery."**

When Jesus came close, He asked the man, ***"What is your name?"*** The man answered, *"Andrew, my name is Andrew, Lord"* The Lord asked him, ***"How long you have been here?"*** Andrew answered, *"I have been here for a very long time."* The man began to tell his story. He said he had the responsibility of collecting tithes and organizing monetary distribution to the poor in his Catholic church. However, he would steal the money instead. With eyes full of compassion, the Lord asked the man, ***"Andrew, have you ever heard the gospel?"*** Andrew replied, *"Yes Lord, there was one Christian woman that went to the church and she preached the gospel once, but I didn't want to accept it. I didn't want to believe it, but I believe it now! Now I believe that this is real! Please Lord take me out of here, at least just one moment!"*

As he was speaking, worms were crawling through his eye sockets, exiting his ears, and coming inside again through his mouth. He tried to pull them off with his hands but it was impossible. He was shouting horribly and kept begging God for mercy. He kept asking Jesus to take him out of that place. Even worse, there were demons tormenting him, constantly piercing him with their spears. The demons looked just like one of the toy dolls that we have here on earth called **"The Jordanos"**. I saw those dolls in hell, but they were not dolls anymore; they were alive and demonic. They were about 3 feet tall and had very sharp teeth. Blood came out of their mouths and their eyes were completely red.

They were stabbing Andrew with all their might, as well as all of those who were in these parts of hell. When I observed this, I asked the Lord how was it possible for a doll on the earth, to look exactly like that demon. The Lord told me that those were spirits of sadness.

As we continued, we saw thousands of people in torment. Whenever a soul saw the Lord, they tried to reach Him with their skinny hands. I noticed a woman that started to shout when she saw Jesus. She screamed, *"Lord, please have mercy on me! Take me out of this place!"* She was suffering a lot and she extended her hands towards the Lord. She kept begging Him to take her out of that place at least just one second. She was totally naked and covered with mud. Her hair was all dirty and worms were slithering up and down her body. She tried to take them off with her hands, but every time she scraped some away they multiplied even more. The worms were about 6-8 inches long. The Word of the Lord says in Mark 9:44, *"Where their worm never ceases and the fire is not put out"*

It was so terrible seeing this woman and hearing her cries as the worms voraciously ate her flesh. There was a metal plate embedded in her chest that could not be destroyed by the flames. It read, **"I am here for fornication."** In the same manner of her sin, this woman was forced to fornicate in hell with a very disgusting and fat snake. The snake had huge thorns around its body, about 6-8 inches long. The snake penetrated her private parts and traveled up her body to her throat. When the snake entered her, she started to scream.

She begged the Lord more intensely to take her out of that place, *"Lord, I am here for fornication, I have been here for 7 years, since I died from AIDS. I had six lovers, and I am here for fornication."* In hell she had to repeat her sin over and over. She had no rest day or night, suffering the same way all the time. She tried to extend her hands toward the Lord, but the Lord just told her, ***"Blanca, it is too late for you. Worms shall be your bed; and worms shall cover you."*** (Isaiah 14:11) When the Lord said those words, a blanket of fire covered her, and I could no longer see her.

We continued walking, seeing thousands and thousands of people. There were young people, adults and elderly people suffering in torment. We arrived in a place that looked like a big swimming pool of fire, with thousands of men and women inside of it. Each of them had metal plate on their chest that read: **"I am here for not giving tithes and offerings"**. When I read that, I asked the Lord, *"Lord, how can this be possible, that people are here for this reason??"* The Lord responded, ***"Yes, because these people thought that tithes and offerings were not important, when my Word shows it as a command."*** In Malachi 3:8-9 it says *"Will a man rob God? Yet you are robbing Me. But you say, 'How have we robbed Thee?' in tithes and offerings. You are cursed with curse, for you are robbing Me, the whole nation of you."*

The Lord told me that when His people withhold their tithes, it hinders the work of the Lord, and then the Gospel is not preached. People in this place suffered a

thousand times worse than others, because they knew the Word of the Lord and disobeyed.

We continued walking and the Lord showed me a man. I could see from his waist to his head, and I started to have a vision of how he died. His name was Rogelio. He was in his car while a person got close to preach the gospel to him, and gave him a Bible. But Rogelio ignored that person's warning and continued on his way, without knowing that a few minutes later his car would crash. It fell into a precipice, and he soon died.

The moment he crashed, the Bible opened to Revelation 21:8, *"As for the cowardly, however, and the unbelieving, and the depraved, the murderers, the immoral, those practicing magic arts, and idolaters, and all liars- their lot is in the lake that burns with fire and sulphur. This is the second death."* When Rogelio read this verse, he died and arrived in hell.

He had only been there one month and still had some flesh on his face. However, he was suffering like everybody else. At first, he did not know why he was in Hell. I think when that Christian got close to his car; it was the only and last chance for him to accept the Lord Jesus, the same way that many have had the opportunity to accept Him. Today, I invite you to open your heart to Jesus; He alone is the way, the truth, the life. (John 14:6) Only through Him we can be saved into the Kingdom of Heaven. (Acts 4:12) The Lord also asks us to follow His ways in holiness and honor. God bless you.

4th Testimony

God bless you brothers. When the Lord took my hand, I could see that I was standing on a rock, and behind us, I saw an angel. We began to go down through a tunnel with incredible speed. Quickly, I turned and saw that the angel was gone, and I felt so afraid. I asked the Lord: *"Lord, where is the angel? Why is he not here anymore?"* The Lord said, *"He cannot go where we are about to go."*

We continued downward and then stopped abruptly, like an elevator. I saw several tunnels; and we went through the one my sister Sandra spoke about; the tunnel where people were hanging off of hooks by their heads, with shackles on their wrists. The wall that had people on it seemed infinitely long. Millions of people were hanging on it. They had worms all over their bodies. I looked ahead and saw that there was another wall, exactly the same as the other. I said to the Lord, *"Lord! There are so many people in this place!"* Instantly, a

scripture verse entered my mind; one that I did not recognize. The Lord told me, "***Hell and Sheol are always hungry.***" (Proverbs 27:20)

We left there and soon arrived at a place we called, "**The Valley of the cauldrons**". These cauldrons were full of a boiling mud, and we got close to one of them. The first person that I saw was a woman. Her body floated and sank with the boiling mud, but when the Lord looked at her, she stopped moving and remained suspended in the mud at waist-level. The Lord asked, "**Woman what is your name?**" She answered, "*My name is Rubiella.*"

Her hair was full of boiling mud and flesh hung from her bones, which were charred black from the fire. Worms entered through the holes of her eyes, came out from her mouth, entered again through her nose and exited her ears. When the worms could not enter, they simply made a hole to enter the other parts of the body, which caused indescribable pain.

She shouted, "*Lord, please! Take me out of this place. Have mercy on me! I can not continue like this any longer! Make it stop Lord! I can not stand it any more! Please have mercy on me!*" The Lord asked her why she was there. She said she was there because of vanity, which was the same word written on the metal plate on her chest. In her hand was a normal looking bottle, but to her it appeared to be a very expensive perfume. Rubiella had to take the bottle, which was full of acid, and spray it all over her body. This caused, all the flesh that was sprayed to melt, causing her great pain.

She shouted to the Lord, "*Lord please, have mercy on me! I can not be here any longer; just a single second Lord.*" I am not saying that it is a sin to use a perfume, but the Lord told us that the woman was there because of her perfume, as the Word of the Lord tells us in Deuteronomy 5:7 "*You shall not have other gods before me.*" She was there because her beauty, perfumes, and vanity were first place in her life. However, the Lord Jesus is King of kings and Lord of lords! He has to be the first in your life; that is why she was there. With sadness, the Lord looked at her and said, "***Rubiella, it is too late for you, worms shall be your bed, and worms shall cover you.***" When the Lord said that, a blanket of fire totally covered her. While her body was being consumed inside that cauldron, she suffered horrible pain.

We then got far away from there and arrived at a place with giant doors. As we approached them, they opened for us. On the other side we saw a giant cavern. As I looked up I saw different color lights were moving like a cloud of smoke. Suddenly, we heard music; salsa, ballenato, rock, and different kinds of popular music that people hear on the radio. The Lord made a movement with His hand,

and we saw millions and millions of people hung up with chains in their hands. They were jumping wildly over the fire.

The Lord looked at us and said: *"Look, these are the wages for the dancers."* They had to jump wildly up and down to the beat of the music. If salsa was playing, they had to jump to that beat, if any other kind of music was playing; they had to jump to that beat. They could never stop jumping. But worse than that, their shoes had 6 inch spikes on the bottom. Whenever they jumped it would pierce their feet, and they never had a moment's rest. When someone would try to stop, demons would come at once and stab them with spears, cursed them, and saying, *"Praise him! This is your kingdom now, Praise Satan! Praise him! You can't stop, praise him! Praise him! You have to praise him! You have to jump! You have to dance! You can not stop one single second."*

It was terrible that many of the people were Christians who knew the Lord, but they were in night clubs when they died. Maybe you are asking, *"Where does it say in the Bible that it is wrong to dance?"* In James 4:4, the Word of God says: *"Do you not realize, you adulteresses, that friendship with the world is enmity toward God? Therefore, whoever determines to be a friend of the world becomes God's enemy."* Also, in 1 John 2:15-17:

"Neither love the world nor the things in the world. Whoever loves the world has not the Father's love in his heart, because everything in the world, the passions of the flesh, the desires of the eyes, and the proud display of life have their origin not from the Father but from the world. And the world with its lust passes away, but he who does the will of God remains for ever." Remember the world will pass away, all this will perish, but the one who does the will of God stands forever.

My friends and brothers, when we left this place, we saw something like bridges that divided hell into different sections of torment. We saw a spirit walking over a footbridge. It looked just like a doll that we have seen on the Earth; we call them Treasure Trolls. They have different color hair, with an old man's face but a kid's body; without sexual parts. Their eyes are full of evil. The Lord explained that these were spirits of loss. This spirit had a spear in his hands and was walking pompously on that footbridge, like a queen or like a pretty runway model.

As he walked, he stabbed people down below his spear. He would curse them saying, *"Remember the day you were outside of a Christian church and you did not want to come inside? Remember the day they preached to you and you did not want to listen? Remember the day they gave you a gospel tract and you threw it away?"* The lost souls would try to cover the area where their ears used

to be. They would reply to the demon, *"Shut up! Shut up! Don't tell me anymore! I don't want to know more, shut up!"* However, the evil spirit enjoyed doing that because of the pain it inflicted on the souls.

We continued walking with the Lord. Upon looking at a mass of people, we noticed one man was shouting louder than the others who were burning there. He was saying, *"Father, Father, have mercy on me!"* The Lord was not going to stop to look at this man, but when He heard the words "Father" He shook and turned around. Jesus looked at him and told him, *"Father? You call me Father? No, I am not your Father and neither are you my son. If you were my son, you would now be with me in the Kingdom of Heaven. You are sons of your father the devil."* Immediately a blanket of fire came up and totally covered his body.

The Lord told us the story of this man's life. The man called Him Father because he had known Him. He used to go to church and listen to God through His Word, and he had received many promises of God. So we asked: *"What happened, Lord why is he here then?"* The Lord replied, *"He was living a double life; he lived one way at home, and another at church. He thought in his heart, 'Well, there is no one that lives close to me, not the pastor or any other brother, so I can do whatever I want'. But he forgot that the eyes of the Lord are set on all our ways and that no one can lie or hide from the Lord."*

The Word of the Lord tells us, *"Don't lie to your selves God can not be deceived. Because everything a man sows, the same he will harvest."* (Galatians 6:7) This man was suffering a thousand times worse than others. He was paying a double condemnation: one for his sins and one for thinking he could deceive the Lord.

Today, people try to rank the gravity of sins; they think that thieves and murderers are greater sinners than liars or gossips. But in the eyes of the Lord, all these sins have the same weight and the same pay. The Bible tells us, *"The wages of sin is death" "the soul that sins will die."* (Romans 6:23) (Ezekiel 18:20) My friends and brothers, I invite you now to accept Jesus' invitation. Jesus is extending His hand of mercy to you if you repent. The Word of the Lord tells us that the one that changes his ways and repents will be given mercy. It is much better to believe now, than to wait and find out the hard way later. God bless you.

5th Testimony

The Word of God tells us in Romans 6:23 *"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord"*

When we went down there, I felt the pain and experience of being dead. I was very frightened by what I saw. I realized there were many, many people there; all were shouting and crying out. It was total darkness, but with the presence of the Lord, the darkness disappeared. We saw thousands and thousands of souls all crying out for help and mercy. They cried out to the Lord to take them out of that place. We also felt great pain because we knew the Lord suffered tremendously whenever He saw them.

Many cried out to the Lord to take them out just for a minute, just for a second. The Lord would ask them, ***"Why do you want to go out?"***, and they would answer, *"Because I want to be saved! I want to repent and be saved!"* However, it was too late for them.

Dear people that are listening to me now, now is the only opportunity to choose our eternal destination. You can either choose an eternal place of salvation, or an eternal place of condemnation.

We went down further. I saw that the floor we were walking on was being destroyed by fire; mud and flames were coming out of it. There was also a terrible smell everywhere. We felt so upset and nauseous from the smell and the shouts of all the people.

We saw a man, far away, who was waist deep in burning mud. Whenever he took out his arms, the flesh from his bones would fall off, into the mud. We could see a grey mist inside his skeleton, so we asked the Lord what it was. This type of mist was in every person in hell. The Lord told us it was their souls trapped inside of a sin body; like it is written in Revelation 14:11 *"And the smoke of their torment goes up forever and ever; they have no rest day and night, those who worship the beast and his image, and whoever receives the mark of his name."*

We began to understand many things that we had been ignoring on Earth; most importantly, the clearest message was that our lives on Earth determine where we spend eternity.

As we walked hand in hand with the Lord, we realized the Hell had many different places with various levels of torment. We came to a place with many cells which contained tormented souls. The souls were being tormented by

many types of demons. The demons would curse the souls, saying, *"You cursed wretch, praise Satan! Serve him like you did when you were on Earth!"* The souls suffered terribly from the worms; and the fire was like an acid over all their body.

We saw two men inside one prison cell; each had daggers in their hands and were stabbing each other. They would say to each other, *"You cursed wretch! It's because of you that I'm here! You made me come here because you blinded me to the truth and didn't let me recognize the Lord! You didn't let me receive Him! Many times I had the chance and you didn't let me accept Him! That is why I'm here, tormented day and night!"*

Through a vision, the Lord showed us their lives on Earth. We saw them in a bar together. An argument started which led to a fight. They were already drunk. One of them took a broken bottle and the other pulled out a knife. They fought until each one was mortally wounded and died. The two men were doomed to repeat that scenario forever. They were also tormented by the memory that they had been best friends on the Earth, like brothers in their love for each other.

I want to tell you today, there is just one real friend, and His name is Jesus of Nazareth. He is the real friend. He is the faithful friend, who is with you at every moment.

As we continued walking and we saw a woman inside another cell, she was rolling over in the mud. Her hair was all messed up and full of mud. Inside the same cell was a big and fat snake. It moved close to her, surrounded her body, and went inside of her starting with her lower parts. She was forced to have sexual contact with that snake. In that place all the men and women that lived in fornication were forced to repeat it there. However, they had to do it with snakes covered with 6 inch spikes. The snake destroyed her body every time it went inside of her. She cried out to the Lord and asked Him to stop it. She did not want to suffer any more. *"Make it stop! I won't do it again! Please! Make it stop!"* she begged the Lord as the snake came inside and destroyed her body over and over again.

We tried to cover our ears to her cries but we could still hear her. We tried even harder to cover our ears, but that didn't help. We said the Lord, *"Please Lord we don't want to see and hear to this anymore, please!"* The Lord said, *"It is necessary that you see this, so you can tell the rest, because my people are being destroyed, my people are ignoring the true salvation, the true road to the salvation."*

We continued walking and we saw a giant lake with thousand and thousands of people in the midst of flames. They waved their hands asking for help, but there were many demons flying over that place. These demons used spears with S-curved spearheads to hurt all the people burning in that lake. The demons mocked and cursed them saying, *"You cursed wretch! Now you must worship Satan! Praise him; praise him as you did when you were on the Earth!"* There were thousands and thousands of people. We were so scared; we felt that if we did not hold the Lord's hand we would be left in that horrifying place. We were terrified from the things we were feeling.

In the distance we saw a man standing up, who was very great pain and agony. He had two demons flying over him, tormenting him. They would dig their spears inside his body and take out his ribs. They also made fun of him all the time. Even further, the Lord showed me that he was tormented from always worrying about the family he had left on the Earth. The man didn't want his family to arrive in the same place of torment. He was worried because he never gave them the message of salvation. He was tormented because he remembered that they once had the chance to receive this message. He was a very important person to give this message to his family, but he preferred to ignore it, and now he was worried about his sons and his wife.

The torment continued as the demons cut off his arms, he fell into the burning mud. Because of the pain from the burning mud, he wiggled like a worm from one place to another. His flesh fell from his bones because of the heat. He then started to slither like a snake, trying to get out of there. But every time he tried to go, the demons pushed him back and he went deeper inside the mud.

We then saw a number of demons in one place. Something caught my attention; I noticed that one of the demons was missing a wing. I asked the Lord, *"Lord, why is this demon missing one wing?"* The Lord said, *"That demon was sent up to the Earth with one purpose, but he did not accomplish his task, and he was cast back to Hell by one of the servants of God. Then Satan came and punished him, and cut off one of his wings."* Then we understood that as Christians, we have all authority and power in the Name of Jesus to cast out all demons and principalities.

Dear friends that are reading these words right now, this testimony is not for condemnation but salvation; so you can test yourself and see the condition of your heart before the Lord. This is so that you can change your ways, for salvation and not for condemnation. Right now, lift your heart before the Lord and confess your sins, so if the Lord came at this moment you could go with Him instead of going to that place of torment where there is crying and gnashing

of teeth. There, you will really understand why Jesus paid such a high price at Calvary's cross.

We saw many people in Hell who were ignorant of why they were there. Their lives were full of activities that they didn't think were sins. Dear friend, test your self; do not think that lying, stealing, being vain are okay things to do! These are all sin before the eyes of the Lord! Dear brothers, turn away and stop doing these things! I'm giving you this message so you can stop willfully sinning, and look even more to the face of the Lord.

6th Testimony

Psalms 62:12 "And Thee, O Lord, belongs covenant love, for Thou rewardest every man according to his work"

On the morning the Lord visited us in that room, He took us by the hand and we started to go down. My heart was totally full of fear, I can't even describe it. I just knew that I could not loosen the hand of my Savior. I felt that Jesus was my Life and my Light and all my hope was in Him; otherwise I would be left behind in that place. I never thought that I would ever go to that place. I didn't even believe such a place existed. Even as a Christian, I had always thought that purgatory was Hell, but God showed me the reality of Hell.

When we arrived in Hell, I felt the place shook. And all the demons there ran to hide, because not one of them could endure the presence of the Lord. We heard the captive souls shout even louder, because they knew that Jesus of Nazareth was there. They all knew that there was just one person that could possibly get them out. They had that hope, even though it was a false hope.

We walked hand in hand with Jesus, and arrived at the section of fornication. Jesus turned to look at a woman who was totally covered with the fire. When Jesus saw her, she started to go out slowly from the fire, although her sufferings never stopped. We could see she was totally naked and saw all of her physical characteristics. Her body was totally dirty, and she stunk. Her hair was all messed up, and she had a yellowish green mud on her. She had no eyes and her lips were falling to pieces. She had no ears, just the holes. With her hands, which were bones charred black, she took the flesh that was falling from her face and tried to put it back on. But this gave her even worse pain.

She then shook and shouted even more; her shouts never ended. She was full of worms, and there was a serpent wrapped around her arm. It was very thick and had thorns around its body. She had the number 666 engraved on her body; the

number of the Beast mentioned in the book of Revelation. (Revelations 4:9-11) She also had a metal plate embedded on her chest, made from some unknown metal; it was never consumed by the fire. On the plate was something written in a strange language, but we could understand what was written on it. It read, "**I am here because of fornication.**"

When Jesus saw her He asked her, "*Elena, why are you in this place?*" While Elena was answering the Lord, her body twisted with the pain of her torments. She said that she was there because of fornication. She asked the Lord for forgiveness over and over again.

Then we started to see the event of her death. When she died, she was having sex with one of her lovers, because she thought that the person she was living with was gone on a trip. However, he came back from his job and found her in bed with someone else. He then went to the kitchen and took a big knife and stuck it in Elena's back. She died and was taken to Hell, exactly the way she died; totally naked.

In Hell, everything materialized and she still had that big knife in her back, causing her great pain. By this time, she had already been in Hell 7 years and she could remember each moment of her life and death. She also remembered when someone tried to preach to her about Jesus; that He was the only one who could save her. But now it was too late for her and everyone else in Hell.

The Word of the Lord talks a lot about fornication, and it is very clear. Fornication is having sexual relationships outside of marriage. 1 Corinthians 6:13 *"Food for the stomach and the stomach for food, but God will destroy both of them. Now the body is not for fornication, but for the Lord; and the Lord for the body."* Also in 1 Corinthians 6:18

"Flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body."

When Jesus finished talking with her, she was covered with a big blanket of fire and we could no longer see her. But we heard the sound of her flesh burning and those horrifying screams, I can't even describe them with words.

As we continued to walk with the Lord, He showed us all the people there: the idol worshipers, those who used and practiced witchcraft, the immoral, adulterers and liars. We were very scared; the only thing we wanted to do was leave. But Jesus kept saying that it was necessary to look so we could tell others, so they might believe.

We continued with Jesus, holding His hand even tighter. We came to a section that really made an impression on me. We saw a young man, 23 years old, suspended waist-high in the middle of a fire. We couldn't see exactly what his torment was, but the number 666 was engraved on him. He also had a metal plate on his chest that read, **"I am here for being normal."** When he saw Jesus, he extended his hand towards Jesus begging for mercy. The Word of God says in Proverbs 14:12 *"There is a way that seems right to a person, but its end is the way of death."*

When we read the plate that said **"I am here for being normal"**, we asked the Lord, *"Lord, how come!? Is this possible that a person can come to this place for this reason?"* Then Jesus asked him, **"Andrew, why are you here in this place?"** He answers, *"Jesus, when I was on Earth, I thought that just killing and stealing were sins, and that is why I never tried to get close to you."* In Psalms 9:17 *is says "The wicked shall be turned into Hell, all the heathen that forget God."*

Andrew made a big mistake by classifying sins, like many people do today. The Bible is very clear when it says that the wages of the sin is death, but the gift of God is eternal life. (Romans 6:23) Further, when the Bible talks about sin, it never classifies sins, because all of them are just sins. Andrew had the chance to know and accept Jesus but he didn't take the opportunity that God had given to him. Maybe he had a thousand opportunities to know the Lord, but he never wanted to know Him and that was the reason he was there. Then a big blanket of fire covered his body and we never saw him again.

We continued walking with Jesus. In the distance we saw something falling down, like chunks of material. When we got closer, we saw that it was people that were falling into Hell at that moment. People that just died on the Earth without having accepted Jesus Christ in their hearts, they were arriving in Hell.

We saw a young man; many demons ran towards him and began to destroy his body. Immediately his body began to fill with worms. He shouted, *"No! What is this? Stop! I don't want to be in this place! Stop it! This must be a dream! Take me out of this place!"* He didn't even know that he was dead, and that he died without Jesus in his heart. The demons were making fun of him and always tormenting his body. Then the number 666 appeared on his forehead, and a metal plate on his chest. Even if we couldn't see the reason he came to Hell, we knew for sure that he would never get out again.

The Lord told us that the torments of all these people in Hell would be even stronger on the day of the Judgment. If they are suffering in such a terrible and

horrifying way now I can't imagine how they will suffer after the day of the Judgment.

We didn't see any children there. We just saw thousands and thousands of young people; men and women of many nationalities. Nevertheless, in hell there are no more nationalities or social levels, all come to be tormented and punished. There was one thing that everybody wanted, and that was a chance to go out, at least for a second. They also wanted to have one drop of water to refresh their tongues, like the story of the rich man in the Bible. (Luke 16:19) But this wasn't possible anymore; they choose where they wanted to spend their eternity. They decided to spend it without God. God never sends anyone to the Hell; everyone arrives there according to their own acts. In Galatians 6:7 *"Make no mistake, God will not be mocked. What a person sows, he will reap."*

Today you have the great opportunity to change your eternal destiny. Jesus is still available now, and the Bible says that while we have life we also have hope. Today you have life, don't miss this opportunity, it can be the last one.

God bless you.
